Our 2300 is the flagship fishing platform of choice for the Ramco range. With a full wide body at 2.5m on the beam and the full volume of a true 7.3m hull, the 2300 is ideal for all fishing conditions but excels out wide when you hunt blue water game. With over 500kms range on its 250 litre underfloor tank, the 2300 provides for all your fishing and peace of mind needs. In its standard format of Hardtop it provides for an unprecedented 4.4 sq meters of fighting cockpit. The option list is tailored to providing you with the best opportunities of success when out in your targeted fishing area. The hull design and refinements allow for a directional boat in the most challenging sea conditions and stability at rest. A variety of engine configurations can be matched to this hull allowing for single, twins or stern drive options.

Recommended for all tide sealed boat ramps.

Hull Only RRP \$48,400
