The 2550 is a new addition to the Ramco Range. This is a limited edition boat which allows you to have all the benefits that 25 years of fishing, hunting and gathering provide in an ultimate 8.3m package. This is a true high volume, high performance, overnight vessel. It incorporates all the fine tuning to hull designs from previous experience. The 2550 goes the extra step allowing for a full height cabin and true 4 berth overnight capabilities.

It is fully loaded to provide for all your needs including shore power, an RO unit for fresh water and califont for heated water. It has a 600 litre fuel tank providing for an excess of 1000km range.

It is simple - you choose where you want to hunt and the 2550 will get you there and back in comfort, safety and style.

Recommended for all tide sealed boat ramps.
